

## ADDITIONAL PRODUCT APPLICATION

Please complete this form to add a product category to your display.

- **Additional Products** are products that were not previously submitted for approval by The Sunday Artisan Market.
  - » Examples:
    - You have glass plates and bowls and wish to add glass mugs. You do not need to apply to sell the mugs because they are in the same category as the products you were already approved to sell (glass).
    - You have crocheted items and wish to add pottery. You need to apply to add pottery because crocheted items and pottery are in different product categories.
